

This year, our donors and supporters helped us provide vital resources and support to our families through the COVID-19 crisis.

WHAT WE DID IN 2020

4,515 INDIVIDUALS

were helped through our Comprehensive Family Support Services.

63%

of our clients were diagnosed with autism spectrum disorder.

\$37,053.60

was spent on funeral assistance through our Center for Infant and Child Loss, the only resource in our community offering this type of wide-ranging support for parents and caregivers.

244

clients completed an annual enrollment to receive long-term support from our Prescription Assistance Program.

\$2,000,000

WORTH OF
MEDICATIONS
PROVIDED

our Prescription Assistance Program helped individuals get access to life-saving medications.

THIS WORK ISN'T POSSIBLE WITHOUT YOU!

Follow us! @anybabycansa

Our mission is to serve families with children and youth facing serious health or developmental challenges.

WHAT WE DID IN 2020

6,180

HOME VISITS

301
